REBEL ANCHORMAN 10m Multi Role Catamaran

General

Vessel Name	Rebel Anchorman
Coding	MCA Category 2 – 60 miles day & night
Call Sign	MEKR5
MMSI	235016877
Capacity	12 PAX + 2 Crew + 1000KG Cargo
LOA	10m
Beam	4.9m
Draught	0.8m
Machinery	2 x Iveco 280HP
Fuel	Diesel 1000L
Manufacturer	Blyth Catamarans
Speed Cruise/Max	15/27 Knots

Equipment

Layout	Rescue Zone with MOB recovery cradle
	Full walk-around deck with mooring/towing bollards
	Large open aft deck - cargo area & mounting points
	Side door with dive ladder
Navigation/Comms	3 x Simrad 12" & 7" touch screen plotters / sonar
	1 x Simrad 16" display & Simrad autopilot system
	Simrad open array halo radar
	Simrad RS40 fixed VHF/DSC & Icom fixed VHF/DSC
	Simrad wind system & 3 x digital instrument displays
	Simrad class A AIS Transponder
	Fusion stereo system & Loud hailer/siren system
	CCTV Camera System
Electrical / Welfare	Galley unit - microwave - oven/stove - hot/cold water
	Toilet and wash basin
	Heating, diesel and electric
	240V Generator & Inverter
	LED navigation, deck lights and blue strobe lights
	LED cabin lights white/red
Optional Extras	Survey boom
	Rescue boat/tender

REBEL PROTECTOR

8.5m Cabin Rib

General

Vessel Name	Rebel Protector
Coding	MCA Category 3 – 20 miles day & night
Call Sign	MICH3
MMSI	232029921
Capacity	7 PAX + 1 Crew
LOA	8.5m
Beam	3m
Draught	0.8m
Machinery	1 x Yanmar 6LP 315HP
Fuel	Diesel 300L
Manufacturer	Rayglass NZ
Speed Cruise/Max	25/39 Knots

Equipment

Layout	MOB recovery cradle
	Forward deck access door
	Large foredeck with towing bollard
	Large open aft deck with bollards & mounting points
	Bathing platform with dive ladder
Navigation/Comms	2 x Simrad 9" touch screen plotter / sonar
	Simrad 4G Radar
	Simrad RS40-B fixed VHF/DSC
	Simrad RS40-B AIS Transponder
	Icom M330GE fixed VHF/DSC
	Fusion Stereo System
	Loud hailer/siren system
Electrical / Welfare	LED navigation and deck lights
	LED cabin lights white/red
	LED blue strobe light
	Heads
Optional Extras	Survey boom
	Generator
	Recovery Davit
	Rescue boat/tender

MODULAR CRANE PONTOON

VersaDock

Huge variety of uses such as Heavy Lifting, Piling, lifting pontoon spud legs and general marine works.

Ultra-shallow draft allows us to access places larger multicats cannot reach. Can be mobilised by water or dismantled for road transport to site, crane can self-load and service its working deck and spud legs.

General

Vessel Name	Rebel Barge
Quantity	Multiple Available
Capacity	24 Tonnes
LOA	12m
Beam	6m
Draught	0.15m
Machinery	Twin Electric Spud Leg Motors
Crane	Heila HLM 3-2S & Powerpack
Manufacturer	VersaDock/Heila/Rebel Marine

Custom Built Marine & Offshore Cranes

WORKING DIAGRAM

(ONLY FOR USE WITH HOOK - SEA STATE - 0 - OR HARBOUR CONDITION)

Equipment

Layout/Equipment

- 1 x Foldable Marine Crane with Aux QR connections
- 2 x 8m spud legs
- 2 x Electric spud lifters
- Moonpool
- Pile Driving Frame
- Hydraulic Powerpack
- Handrailing/Cleats & Towing/Cargo Eyes
- Heavy Duty Fendering
- 2 x Heavy Duty Loading Ramps
- Life Saving Equipment
- Dive Ladder

Spider Crane Pontoon

Hybrid electric

The most intuitive mini crane of all time, able to guarantee high level performance. Important features include the 1 tonne hydraulic jib, the maximum height of which, at 17.3 metres, can be compared to that of a higher category of crane. This spider crane can be put on a trailer and towed by a 4x4. Tracking itself onto the deck of our modular pontoons gives us the most flexible lifting solution afloat. Pontoons can be built to any size and shape, including moon pools. With spud legs, brackets and other accessories, we can tailor a marine package to suit.

General

Vessel Name	Rebel Spider Crane on a Pontoon
Length	3255mm
Width	770mm (1050mm tracks extended)
Capacity	3,200kg
Manufacturer	Jekko

Features

Details	Compact, strong and robust
	Precisely manoeuvrable
	4000kg 125m winch
	Extending tracks
	Hybrid with electric drive
	Pick and carry duties
	Non-marking tracks
	230v and 110v charging
	Radio remote control
	LED lights
	Virtual Walls
	Adjustable head and hydraulic fly jib
	360° Endless Slew
	Variable Outriggers
	17.3m max hoist height
Attachments/ Optional Extras	Heavy Duty Loading Ramps
	Glass and Steel Manipulators/Grabs
	Operator & Slinger/Signaller
	Grass / Bog Mats
	Crane trailer & bespoke lifting equipment

CRANE TRAILER

Ideal for delivering our vessels, pontoons and equipment to sites and getting to those hard-to-reach places. This trailer mounted crane is unique with its clever dolly system that lets it roll along the bed of the trailer. This allows it to be stowed over the axles when the trailer is empty to keep the nose weight of the trailer safe and well under the legal limit.

General

Vessel Name	Rebel Crane Trailer
LOA	7m
Beam	2.3m
Crane	Copma 35 & Powerpack
Manufacturer	Copma/Moose Cranes

Features

Crane Layout/Equipment	Foldable Crane
	Track mounted crane dolly to roll up & down the bed
	Radio Remote Control
	Adjustable and selectable height & slew restrictors
	Hydraulic stabilisers
	Hydraulic Powerpack
	Sensors/alarm on locking pins
Trailer Layout/Equipment	Front and rear stabilisers
	2 x Heavy Duty Loading Ramps
	Storage boxes
	Lashing eyes
	LED trailer lights
	LED flood lights

Spider Crane – Beam Manipulator

Optimize your lifting operations with the JIB500GR by Jekko, a versatile crane manipulator for beams and pipes, capable of handling loads up to 500kg. Its dual capacity handles both steel beams and pipes with a capacity of 500kg. Advanced Hydraulic System with 4 hydraulic movements integrated into the LMI. Precise control with full operation via remote control. With full rotation of 360° continuous swivel and exceptional flexibility with 183° dual tilt function. The crane can track itself onto the deck of our modular pontoons giving us the most flexible lifting solution afloat.

Tracked Compact Crane 100% electric

With its small dimensions, the C1e is easy to transport. Manoeuvring in tight spaces no other machine can get to. Ideal for indoor operations, crane also fits in a lift with ease. This is handy at construction sites and in industrial environments. The Hoeflon C1e is a fully electric mini-crane. That means CO₂ neutrality when you work with this machine, in more and more places, this is a firm requirement. Little powerhouse. At 1,030 kg, the C1e can definitely be called that getting the most out of a 1-tonne mini-crane. Can be transported with a standard commercial van.

General

Vessel Name	Rebel Tracked Crane – C1E
Length	1718mm
Width	712mm (1100mm tracks extended)
Capacity	720kg
Manufacturer	Hoeflon

Features

Details

- Compact, strong and robust
- Precisely manoeuvrable
- 500kg 25m winch
- Extending tracks and counterweight
- Silent thanks to electric drive
- Pick and carry duties
- Non-marking tracks
- 230v and 110v charging
- Radio remote control
- LED lights
- Central lifting eye
- Adjustable head and fly jib
- 136° Slew, Boom -10° to 75°
- Removable counterweight
- 5.6m max hoist height

Attachments/ Optional Extras

- Heavy Duty Loading Ramps
- Operator
- Slinger/Signaller
- Grass / Bog Mats
- Crane trailer & bespoke lifting equipment

Tracked Carrier TC1

100% electric 

ZERO EMISSION 

The TC1 carrier is the solution for transport of long, heavy materials, equipment and pontoons at a project site. The carrier is compact and just 80 cm wide, and items can be placed on it in the length or width. The radio remote controlled carrier is perfect for transporting material, such as steel beams, through small access doors and less easily accessible areas. No more heavy lifting for your personnel. Ergonomic, efficient and safe!

General

Vessel Name	Rebel Tracked Carrier - TC1
Length	1450mm
Width	800mm
Capacity	1200kg
Manufacturer	Hoeflon

Features

Details

- Compact, strong and robust
- Precisely manoeuvrable
- Easy to attach load
- Extendible platform
- Silent thanks to electric drive
- Swivel platform
- Non-marking tracks
- 230v and 110v charging
- Radio remote control
- LED lights
- Lashing eyes
- Can carry a load of 1200kg. Thanks to the crawler tracks, the carrier can easily drive over a rough surface yet causes no damage to finished floors.

Attachments/ Optional Extras

- Tow bar / Ball Hitch
- Heavy Duty Loading Ramps
- Operator
- Electric Winch
- Grass / Bog Mats
- Crane trailer & bespoke lifting equipment

Tracked Carrier Dollies

Our **Tracked Carrier Dolly** is designed to boost both **capacity** and **safety** on site when used alongside one of our electric, remote controlled Tracked Carriers to make transporting heavy or oversized loads even easier. With a **1,000kg capacity**, the **Dolly** adds to the payload of the Tracked Carrier, while enhancing stability by creating **ground contact at both ends of the load** – reducing the need to balance everything on a single unit. The **manual steering handle** allows up to **45° movement left or right**, offering precise control and exceptional manoeuvrability, especially in tight or challenging spaces. Large **heavy duty**, pneumatic wheels allow use on unfinished ground and **reduce ground pressure** on sensitive floors. Rubber contact blocks help **keep the load positioned accurately** when strapped down.

General

Name	Rebel Tracked Carrier Dolly
Length	600mm
Width	750mm
Capacity	1000kg

Manitou ULM415

The Manitou ULM 415 is an ultra-light telehandler designed for versatility and transportability, with a maximum lifting capacity of 1500 kg and a maximum lift height of 4.30 meters. Key features include its hydrostatic transmission, compact dimensions for working in tight spaces, and a lightweight design for easy transport on a standard trailer. With its light weight and wide grass tyres proving great for crossing delicate and boggy terrain, and in conjunction with our modular pontoons we can drive this telehandler over rivers and other bodies of water.

General

Vessel Name	Rebel Manitou – ULM415
Length	3470mm
Width	1560mm
Capacity	1,500kg
Manufacturer	Manitou

Features

Details	Compact, strong and robust
	Precisely manoeuvrable
	Adjustable forks
	Towbar
	Trailer lighting socket
	2 wheel steer, 4 wheel steer, crab steer
	Euro hitch
	Joystick control
	Road legal
	LED lights
Attachments/Optional Extras	Bucket
	Fly Jib / Lifting Jib
	Front Tow Bar
	Heavy Duty Winch
	All Terrain Tipping Trailer
	Heavy Duty Loading Ramps
	Pontoons for water and boggy crossings
	Operator & Slinger/Signaller
	Grass / Bog Mats
	Crane trailer & bespoke lifting equipment

Manitou MT1840

Our Manitou MT 1840 telehandler offers the perfect balance of **power and precision**, designed to meet the demands of all your projects. Its **hydrostatic transmission** and wide load chart, especially when used with stabilizers, allow for safe lifting of loads **up to 18 meters high** and a **maximum lift capacity of 4,000kg** at minimum reach. This versatile model is suitable for a wide range of applications, including pallet handling, bulk material movement, unloading, and precise positioning of heavy elements on site. The Easy Connect System (ECS) enables fast and easy attachment changes, transforming the machine into a **high-performance multi-tool**. With its **wide stabilizers, high ground clearance, and integrated tilt correction system**, the MT 1840 ensures excellent stability and manoeuvrability, even on rough terrain.

General

Vessel Name	Rebel Manitou – MT1840

All Terrain Tipping Trailer

This flatbed is a sturdy ATV trailer with a gross carrying capacity of 1200kgs with wheels fitted underneath the bed to provide easy loading onto a practical trailer with a good size load area. The walking axle provides an excellent ride and superb towing characteristics whilst decreasing the impact of the ground. The trailer is fitted with heavy duty axles and all terrain knobbly tyres providing a reliable and robust combination. Ideal for placing and moving stone on scour protection jobs, paired with our modular pontoons for using in rivers.

General

Vessel Name	All Terrain Tipping Trailer
Length	3000mm
Width	1300mm
Capacity	1,200kg
Manufacturer	KPC

Features

Details

Compact, strong and robust

Precisely manoeuvrable

Solar Tower Light TL55 100% electric

The SMC TL55 Solar meets the demand for a sustainable, environmentally friendly and low maintenance lighting tower. Reliable, robust and offering instant light from four 60W LED lamps, the SMC TL55 Solar does not compromise on power or quality. With both battery and mains supply provision, it offers flexible options for all applications on site with an indefinite run time.

General

Vessel Name	Rebel Solar Tower Light – TL55
Length	2585mm
Width	1450mm
Weight	1160kg
Manufacturer	SMC

Features

On-Board Charger	40A / 230V AC
Batteries	6
Solar Panels	4
Voltage	24V
Max Run Time	Over 500hrs with SMC PIR/Auto dimming system
Battery	Indefinite (dependent on quality of sunlight and based on 8hrs operation within 24hrs)
Max Run Time Inc Solar	11 Hours
Charge Time 230v	0 dB
Noise Level	12 / 18 seconds
Mast Raise/Lower Time	355 degrees
Mast Rotation	100kph / 60 mph
Max Wind Speed	4 x 60W LED
Lamp Spec	32,000
Lumens	Standard Control/Timer/Sensor
Dusk 'till Dawn	Road Towable
Tow	4 x wind down legs
Stabilisers	L 2585 x W 4135 x H 5500mm
Size Deployed

'Land Fleet'

Our Road Going Workhorses

Ideal for delivering our vessels, pontoons and equipment to sites and getting to those hard-to-reach places. Our fleet of vehicles and plant mean we are able to transport any of our kit to sites across the country in house, meaning we are not reliant on third parties. Our diverse range of kit, allows us to react and adapt to our client's needs. We have 11 trailers in the fleet, from hydraulic tilting flatbeds, roller boat trailers to a trailer mounted crane and more! Our JCB telehandler is the workhorse of our yard, busy loading & unloading deliveries as well as lifting boats in/out of the water from our quayside and slipway.

VALKYRIE 6

11m Multi Role Catamaran

General

Vessel Name	Valkyrie 6
Coding	MCA Category 2 – 60 miles day & night
Call Sign	2DKC7
MMSI	235079676
Capacity	12 PAX + 2 Crew + 1000KG Cargo
LOA	11m
Beam	5m
Draught	1.2m
Machinery	2 x Iveco 450HP
Fuel	Diesel 1000L
Manufacturer	Southboats
Speed Cruise/Max	15/25 Knots

Equipment

Layout	Rescue Zone with MOB recovery cradle
	Full walk-around deck with mooring/towing bollards
	Large open aft deck - cargo area & mounting points
	Side door with dive ladder
	500kg Hydraulic Lifting A frame with Winch
Navigation/ Comms	4 x Raymarine 9" touch screen plotters / sonar
	1 x Raymarine autopilot system
	Raymarine quantum radar
	2 x Icom fixed VHF/DSC
	Raymarine wind system & digital instrument displays
	Class B AIS Transponder
	Fusion stereo system & Loud hailer/siren system
	CCTV Camera System
Electrical / Welfare	Galley unit - microwave - oven/stove - hot/cold water
	Toilet and wash basin
	Heating, diesel and electric
	240V Generator & Inverter
	LED navigation, deck lights
Optional Extras	Survey boom
	Rescue boat/tender
